<sup>^</sup>Internet download speeds may vary and not guaranteed. Observed speeds may vary based on device, connection, & other factors outside of Wave’s control. Data usage includes both download and upload activity. Data usage beyond total allotment in a month subject to additional charges. Double Data and Unlimited Data plans can be added to your account to help avoid monthly overage fees. After 2 TB of usage, Wave may slow data speeds for network management. Visit wavehome.com/usagepolicy for complete details.

All Wave prices listed are monthly, recurring charges unless otherwise indicated, excluding one-time fees such as installation, administrative On DEMAND and/or Pay-Per-View charges. **Rates effective November 1, 2021.** Internet Infrastructure fee of \$6.97/month not included in monthly internet service price and is subject to change. Internet Infrastructure fee helps defray costs associated with building and maintaining Wave’s broadband network, and expanding network capacity to meet customer demand. This fee is not a tax or surcharge imposed by the government. Fees for equipment that may be required, taxes, installation and activation, franchise fees and surcharges are not included in offer price and subject to change. One-time \$9.99 activation fee not included as part of the offer.

Availability of certain On Demand content may depend of subscription to the tier/service that includes the underlying linear channel. Not all channels and features are available in all areas; visit wavehome.com for channel lineups in your area. Wave TV service requires digital equipment on every connected TV; \$2.72/mo. interactive equipment fee charged for the first digital or HD receiver. Streaming services along with Wave On-Demand content will count towards your data usage plan. To receive HD features and benefits, an HD television, HD-capable device and other equipment may be required. An HD capable TV set with component, HDMI or DVI inputs that supports up to 1080i and meets Wave specifications for DVR service required. Advertised channels/stations may provide some non-HD programming. HD programming is limited to the programming provided to Wave in HD format by the content provider. All Wave TiVo services/products require Wave Internet service. Availability of third-party content subject to change and certain fees may apply. TiVo DVR must be broadband connected to perform multi-room viewing. Not all programs may be transferred using the multi-room viewing feature due to the use of copy protection mechanisms under the FCC’s encoding rules (47 C.F.R. 76 1904). ©2021 Xperi.
